

UNIVERSITY PROGRESSION

Routes

2026-2027

SHAPING TOMORROW,
STARTING NOW.

EDUCATE. INSPIRE. GROW.

Introduction

Progress to university with NCC Education qualifications!

Originally established as an initiative by the British Government in 1966, NCC Education is a UK awarding body and global provider of education.

Working with some of the world's leading British academics and industry, the NCC Education qualification portfolio is continually expanding to align with the ever-growing needs of employers and higher education institutes alike.

NCC Education's Level 3 International Foundation Diploma for Higher Education Studies (L3IFDHES) is now recognised by 120 universities, branch campuses, business schools and professional bodies for on-campus study worldwide! Students are eligible to apply to Year 1 of undergraduate study in the UK, Australia, Canada, China, Cyprus, Finland, France, Germany, Hong Kong, Ireland, Japan, Kazakhstan, Malaysia, Mauritius, New Zealand, Singapore, Switzerland, UAE,

USA, Uzbekistan, Vietnam and more (see pages 18-215).

Many NCC Education Level 3, 4 and 5 Diploma in Business and Level 3, 4 and 5 Diploma in Computing (with specialisms) students choose to follow NCC Education's world-class top-up degree pathways in Business, Computing or Cyber Security through our global network of Accredited Partner Centres. As an alternative to this, NCC Education is proud to offer a number of university progression and articulation options from these Diplomas, enabling students to apply to Year 1 of an undergraduate degree or with advanced standing/credit exemptions towards Years 2 or 3 (see pages 218-325).

There are also a range of options at postgraduate level for Pre-Master's in Business and Level 7 Diploma in Business Management graduates (see pages 326-345).

If you need more advice on progression to further study with your NCC Education qualification, please contact your local Accredited Partner Centre or

customer.support@nccedu.com

Note: Many other universities accept NCC Education qualifications. This brochure only lists those who have issued NCC Education with a letter of recognition.

About this booklet

All information has been checked for accuracy by NCC Education, however it is subject to change.

For the most up-to-date information on the universities and courses you wish to consider, please check the university website directly and contact their international admissions team.

For the latest electronic version of this booklet, please visit

Level 3 International Foundation Diploma
for Higher Education Studies

Level 3 International Foundation Diploma for Higher Education Studies

The Level 3 International Foundation Diploma for Higher Education Studies (L3IFDHES) is a one-year pre-university qualification that equips students with essential skills in English, mathematics and research and study skills.

This programme prepares students for direct entry into the first year of an undergraduate degree at internationally recognised universities, covering various disciplines from law and finance to engineering and art.

DILFUZA FAYZALIYEVA

Dilfuza completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies and has progressed to study with the Association of Chartered Certified Accountants (ACCA) in Uzbekistan.

NCC Education's Level 3 International Foundation Diploma for Higher Education Studies was very important as it taught me all the key basic skills in Communication, English and Maths.

At the same time I found it challenging as I learnt how to speak academically. My favourite subject was English for Academic purposes - this unit helped me improve my grammar and helped me to express myself when delivering speeches.

The L3IFDHES gave me an excellent foundation for my further studies in Accounting.

CARROLL UNIVERSITY

Carroll University | Waukesha, Wisconsin

BENYAPA KHOWPINITCHAI '20

Major: Biology | Minors: Art, Mathematics and Biochemistry

"I have engaged in both internal and external **research opportunities** throughout my time at Carroll. I have worked on multiple **research projects with biology faculty**. Additionally, I have also **interned at various external research institutions**, including the Medical College of Wisconsin and the Harvard University Stem Cell Institute. From my experience conducting research studies off-campus, I learned that despite coming from a small liberal arts college, **I have been sufficiently prepared to carry out a well-designed research project and produce reliable findings like those from prestigious universities**. Thanks to the **International Scholarship** I have received from Carroll every year, I can **engage in this unique and amazing college experience**."

HANCHEN HUANG

Hanchen Huang completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. He progressed to study BSc (Hons) Business and Finance from Coventry University at PSB Academy, Singapore.

My year studying the L3IFDHES has been a journey into the unknown. From the relief of grasping the first obscure concept to the sense of accomplishment in independently applying knowledge to solve problems, every step was filled with both challenges and surprises.

These experiences helped me shed my dependency, transforming from passive acceptance to active exploration and becoming a more independent and confident version of myself.

NORFASHA AMIRYSHAM

Norfasha completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. She progressed to study Bachelor of Information Technology (Hons) from UNITAR International University at HADtech College, Brunei.

The NCC Education L3IFDHES prepared me for university by improving my academic English, study skills and time management. It also taught me how to do research, write assignments and think more critically.

I enjoyed the supportive environment and the chance to explore new and different areas of study, which made the programmed both useful and enjoyable.

WENZHONG ZHANG

Wenzhong completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. He progressed to Bachelor of Commerce (Marketing) at Curtin University Singapore.

I got an overall "Distinction" in my NCC Education Level 3 International Foundation Diploma for Higher Education Studies and was enrolled by my dream university, Curtin Singapore!

The well-structured syllabuses and the whole academic team helped me to acquire the knowledge and skills necessary for university studies.

This remarkable journey also helped me to realise that a temporary setback in any process can be good because it fuels your passion to keep you moving forward and meet the better you!

SHAHBOZ ABDUHAMIDOV

Shahboz completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. He progressed to study BA (Hons) International Business and Finance at Bratislava University of Economics and Management, Slovakia.

Studying the NCC Education International Foundation Diploma was a unique and valuable experience. The learning process was very interesting, with all tasks completed practically, and the teaching methods were innovative, using an interactive approach. This programme helped me prepare for university studies and develop my academic English and mathematics skills. I learned how to manage my time, work independently and I became more confident.

Thanks to NCC's L3IFDHES, I will be going to one of the best universities in Slovakia. This will help me to achieve both my professional and academic goals.

Admissions Now Open For October 2026

A POPULAR STUDY DESTINATION IN THE UK

Why Choose De Montfort University?

De Montfort University (DMU), Leicester is one of the UK's most popular study destinations for international students, providing more than 200 courses across undergraduate and postgraduate studies. DMU is one of the few institutions in the UK that delivers teaching in 'block teaching' method, resulting in more than 92% student satisfaction in better study-life balance.

Why Choose To Study In Leicester?

Located at the heart of England, Leicester is one of the most affordable cities in the UK for international students. The city is rich in culture and diversity, and has excellent rail connections to other major cities like Birmingham, and London.

Email: progression@dmu.ac.uk

Visit: www.dmu.ac.uk/international

NCC Pathways For Progression To DMU

At DMU, over 45+ pathways are available for progression from an NCC programme to a DMU programme across Business, Law, Computing, Media, Engineering, Arts, Design, Humanities, Health and Life Sciences subject areas in undergraduate and postgraduate studies.

International Scholarships

At DMU, we support international students with their tuition fees and living costs through exciting scholarships. Find out more at: www.dmu.ac.uk/international

YEHAN PATHINAYAKE

Yehan completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. He has progressed to study Bachelor of Business at La Trobe University, Australia.

The NCC curriculum was very global, making me feel prepared to study alongside international studies in my degree programme.

I loved the practical, project-based approach. We were encouraged to work on real-world problems, which made classes interesting and engaging.

The course helped me gain confidence in my academic abilities and I have carried this forwards to my university studies!

AREESHA YOUNAS

Areesha completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. She progressed to study BSc (Hons) Software Engineering from Liverpool John Moores University, UK.

My favourite part of the course was the presentations as they allowed us to demonstrate and explain our work on assignments.

The L3IFDHES was very learning and skills-based. It covered every skill and knowledge required for university, and unlike other level 3 qualifications, it did not involve drawn-out, difficult exams.

NAUMAN ZAFAR

Nauman completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. He progressed to study BEng (Hons) Architectural Engineering at Liverpool John Moores University, UK.

I highly recommend the NCC Education Level 3 International Foundation Diploma for Higher Education Studies. It provided me with a solid foundation, developed my critical thinking and problem-solving skills, and paved the way for my successful admission to study BEng Architectural Engineering.

The diploma's academic rigor and supportive faculty helped me achieve my goals, and I'm confident it can do the same for others.

FERIEL ALLAD

Feriel completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies and has progressed to study BA (Hons) Architecture at Bath Spa University, UK.

I already had a good level of English to start with, however I had never experienced studying Physics and Maths in English or doing assignments.

I'll be needing these skills in university so studying them and bettering my English was really helpful.

I would absolutely without a doubt recommend the L3IFDHES programme to other students.

NAKEETHA URSULA

Nakeetha completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. She has now progressed to a BSc (Hons) Computer Science at Northumbria University, UK.

The L3IFDHES was very well structured, laying out clear steps toward achieving my educational goals, which kept me focused. I liked that we could choose to study a range of subjects – in my case Computing and Business - as this gave me a well-rounded perspective before I specialised in my degree.

A leading U.S. university for business degrees Preparing Global Leaders

Northwood University is a nationally-ranked American university that focuses on preparing the next generation of global entrepreneurs and leaders. When you choose to come to Northwood, you will join an international group of motivated young adults who want to achieve career success. More than 1,000 non-U.S. students study at Northwood University annually.

- IFY entry Year 1 to all Bachelor of Business Administration degrees
- Level 5 Diploma in Business entry Year 3 to Bachelor of Business Administration degree in Management
- Level 5 Diploma in Business IT Year 3 entry to Bachelor of Business Administration degree in Management Information Systems

“Northwood University opened its doors and welcomed us wholeheartedly – from the Midland community, to Northwood professors and other students. Its reputation combined with the dedication of the professors and staff challenged us to stand out in a sea of many. Northwood University is an ideal place to learn and develop individual responsibility.”

OXFORD
BROOKES
UNIVERSITY

Welcoming students from all around the world

Why choose Oxford Brookes?

Oxford Brookes University is one of the UK's leading modern universities, known globally for outstanding teaching, fantastic student support and strong industry-employer links. We offer a world-class student experience in the heart of a famous city.

NCC
Progression routes available for over 120 undergraduate and postgraduate courses

Scholarships

We offer a range of scholarships to help our international students with the costs of studying at Oxford Brookes.

SHIYA FU

Shiya completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. She is looking forward to starting her international freshman year at Singapore Institute of Management, Singapore.

Compared with other Level 3 courses, I found that L3IFDHES is particularly practical.

For example, in academic writing and report writing we had to use the Harvard format to standardise citations. When you go to university to write a thesis, you don't have to start learning this from scratch, which is much easier.

Additionally, the homework, group projects and exam deadlines forced me to learn to manage time reasonably and distinguish between priority. Now I can cope with studying many courses at university and I can be more than proficient.

ZHITONG ZHOU

Zhitong completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. She progressed to study International Year One Diploma in Business at Singapore Institute of Management, Singapore.

I would recommend the L3IFDHES to any student. The course greatly boosted my confidence, especially in participating in academic discussions and working on group projects. By the time I started university, I already felt well-prepared and familiar with the expectations and academic culture.

It also made my transition to university smoother because of its clear progression pathways.”

Enjoy life-changing experiences at UWA

Ranked in the **world's top 100 universities** (77TH IN QS 2026)

13 subjects in the world's top 50, including Biological Sciences, Clinical Medicine, Environmental Science and Engineering, Marine and Ocean Engineering, Mining and Mineral Engineering, and Sports-related subjects (QS 2025 AND GRAS 2024)

Our Global Excellence Scholarship offers **up to AUD \$12,000 per year** (TERMS AND CONDITIONS APPLY)

Located in Perth, **the world's #15 most liveable city** (ECONOMIST 2025)

Progression routes available from NCC Education to UWA

ALNUR BAZARBAYEV

Alnur completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. He received a first-class scholarship to study International Economics and Trade at China University of Petroleum-Beijing.

The Business and Economics electives in the NCC Education L3IFDHES programme were very helpful for my university preparation. When I was interviewed by the university, they asked about my familiarity with business concepts like SWOT, PESTLE analysis etc. Since I had learned about these, I was able to answer their questions easily.

I am extremely proud to be a holder of the L3IFDHES qualification, and I genuinely have no regrets about choosing this programme!

- **200+ courses** at Undergraduate, Postgraduate, and Research Degree levels
- **Generous international** and merit-based scholarships
- **Business School of the Year** (North Educate Awards, 2024)
- **2 year Professional** Placement Master's

Choose Chester

The University of Chester is one of the longest-established higher education institutions in the UK, with over 180 years of educational heritage. **Choose Chester** to study and live in a vibrant, unique, and welcoming city, full of character and culture.

MAKE DERBY YOUR CHOICE OF STUDY

Why choose the University of Derby?

The University of Derby is an ambitious, innovative and modern university offering a real world learning experience which is of the highest standard.

Renowned for delivering industry-relevant degrees in

- Design and Art
- Fashion
- Drama
- Engineering
- Tourism and Hospitality
- International Business
- Economics and Finance
- Sciences
- International Nursing
- Counselling
- Art, Dance, Drama Therapy

AMAR ASIM

Amar completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies and has progressed to study BSc (Hons) Accounting and Finance from the University of London - London School of Economics at TMUC Lahore, Pakistan.

The L3IFDHES taught me how to write assignments professionally and the presentations really boosted my confidence to speak and communicate with an audience.

I recommend this diploma because it not only prepares you for the university but also helps you to overcome your weaknesses for a better future.

UMAYA DE SILVA

Umayya completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. She progressed to study BSc Accounting and Finance at University of London.

I chose the NCC Education L3IFDHES because it is a well-qualified foundation programme that is well recognised worldwide.

This qualification provided me with a strong foundation in the fundamentals of business, enabling a smooth transition into my degree studies at the University of London.

SEVINCH ESHQOBILOVA

Sevinch completed NCC Education's Level 3 International Foundation Diploma for Higher Education Studies. She progressed to study her degree at Westminster International University in Tashkent, Uzbekistan.

What I liked most about the NCC Education L3IFDHES is that I got a high-quality British education that enabled me to apply to foreign universities.

The L3IFDHES prepared me for university study through improving my knowledge and ability to write academic pieces of work.

2026 UCAS Application Guide

Please see the following link for further support:
<https://www.ucas.com/undergraduate/applying-university/filling-your-ucas-undergraduate-application>

If you have any problems following the below steps, please contact UCAS or your centre directly for further help and advice: <https://www.ucas.com/contact-us>

1 TO GET STARTED

Visit the new UCAS Hub. Make sure you are on the 'Register' tab and then fill in your details to create an account:
<https://accounts.ucas.com/Account/Login>

2 Once you have registered on the UCAS Hub, you will be sent an email asking you to verify your account. Follow the instructions.

3 After verifying your account, you are ready to sign in. Return to <https://accounts.ucas.com/Account/Login> and go to the 'Sign in' tab.

4 Take some time to explore the UCAS Hub.

5 TO APPLY

Go to the home dashboard on your UCAS Hub profile.

6 Select the appropriate application year i.e. 2024 and click 'Start application' then 'Undergraduate'.

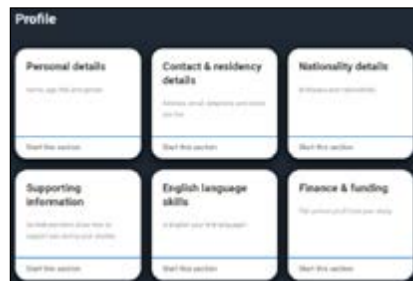

7 If your centre has a UCAS buzzword then add it, otherwise cancel and continue your application.

8 Add your university / degree choices (maximum of 5)

9 Complete all information fields

10 In the 'Education' section, click 'Add place of education'.

11 Type in the name of your centre. Select your centre - most international schools are not listed; if this is the case, type in the name of your centre and add it. Leave the exam centre number blank.

12 INPUT THE DATES of when you started at your school and when you finished

13 PICK 'FULL-TIME' in the type of study option

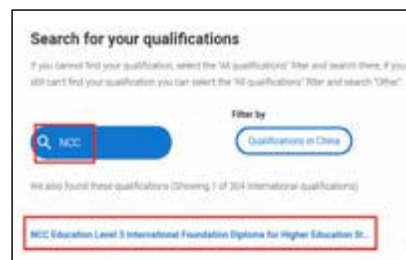

14 'Do you, or will you, have any qualifications from this centre?' Select 'Yes'

15 SAVE

16 CLICK 'ADD QUALIFICATION'. It is advisable to have your transcript(s) next to you so you can copy the information for each module as required.

17 GO TO THE 'SEARCH BY NAME' BAR. If you are studying the NCC Education Level 3 International Foundation Diploma for Higher Education Studies (L3IFDHES), select 'International qualifications' and search for 'NCC'. If you cannot see the qualification in the results, you may need to de-select the 'filter by' option by clicking 'Qualifications in [name of country]'.

18 If you are studying any other NCC Education qualification, instead search for 'Other' and select an option based on your location (UK, EU, Non-EU). On the next page, in 'Subject/Title' type in the name of the qualification manually and add the name of the Awarding Organisation as 'NCC Edu' (the box may limit to 8 characters).

19 Select a qualification date (see your NCC Education transcript)

20 In 'Result' put your overall numerical grade (if you have it, if you don't have it yet you can leave it blank).

21 In 'Module title' type in the module title. Add the qualification date and the results if you have any for this qualification. You might not have them all yet in which can just leave any awaiting results blank. To add more, click 'add another module'.

22 SAVE IT! You can add another qualification and come back to edit as needed.

23 The Unique Learner Number (ULN) can be left blank.

24 For the section 'English language certificates', complete the relevant TOEFL or IELTS section, or add any other accept English-language test in the 'Add qualification' section. Please ensure to check each individual course page for which English-language tests each university will accept and if you need to provide one.

25 Mark section as complete.

26 Continue with the rest of your application, including providing any details of employment and your personal statement and references.

CONGRATULATIONS! YOU ARE NOW ON YOUR WAY TO STUDYING IN THE UK.

Note: Non-EU International students can usually apply to UCAS at any time between 1st September and 30th June in the year preceding the academic year that studies commence. Most students apply well before the deadline to make sure that places are still available on their desired courses. Applications received after 18:00 (UK time) on 30th June will be automatically entered into Clearing.

XINJIE HAN

Xinjie Han completed NCC Education's Level 4 Diploma in Business (L4DB). She progressed to study the Bachelor of Business Studies (Honours) at Kaplan Singapore, awarded by University College Dublin.

I encourage students who have a vision for their future to undertake NCC Education's qualifications and go abroad for further study as it gives you an experience of a lifetime!

I'm studying my Bachelor's degree in Singapore and am applying things I learnt from NCC Education's course every single day. It was an excellent course with concepts that were immediately applicable to my university course in Singapore.

CHENYANG YOU

Chenyang completed NCC Education's Level 4 Diploma in Business. She progressed to study the Bachelor in Business Studies at Kaplan Singapore, awarded by University College Dublin.

NCC Education's Level 4 Diploma in Business is one of the best things I've ever been a part of. The course helped me to develop new ideas to understand the real business world!

Nestled between the beautiful urban areas and the sea, our campus is surrounded by a breath-taking natural landscape. The location, the scenery and the surrounding area are the reasons why I chose to come to come here.

AÏTA RAMY INESA TANOH

Aïta completed the NCC Education Level 4 Diploma in Business and NCC Education Level 5 Diploma in Business. She then progressed to the BSc (Hons) Business Management top-up degree with University of Bolton (now University of Greater Manchester), delivered by WINC Online

What I enjoyed most about both my L4DB and L5DB is the depth of the topics covered and how they allowed me to develop my critical skills.

I particularly liked the research projects that enabled me to deepen my knowledge on various subjects; this enriched my learning experience and helped me see things from different perspectives.

Now that I have completed my degree, I plan to embark on a career as a flight attendant with Air Côte d'Ivoire. I am excited to pursue this dream that I have cherished since my childhood.

	IELTS not required for applicants who have completed their L4/L5 qualifications in English. For applicants who completed their L4/L5 qualifications in any other language, IELTS 6.0 is required. Overall 40% Pass. To apply please contact your local NCC Education Accredited Partner Centre.	<ul style="list-style-type: none"> BSc (Hons) Business Management Top-Up - delivered by WINC online, awarded by University of Greater Manchester

XIN YUAN

Xin Yuan completed the NCC Education Level 3 International Foundation Diploma for Higher Education Studies, NCC Education Level 4 Diploma in Business and NCC Education Level 5 Diploma in Business. He then progressed to the BSc (Hons) Business Management top-up degree with University of Bolton (now University of Greater Manchester), delivered by WINC Online.

NCC Education's business courses opened up possibilities for me to know more about how the real business world works, how to do business analysis and how to use the tools to make a smart decision.

My journey with NCC Education began from the L3IFDHES qualification and I'm glad to have the opportunity to approach my diplomas step by step with such a fantastic higher educational institute.

SHINN MON THANT

Shinn Mon Thant completed NCC Education's Level 3 Diploma in Computing and is now studying at Assumption University, Thailand.

I would definitely recommend this qualification to other students.

Studying with NCC Education gave me confidence and helped me improve my academic and communication skills.

The lessons were practical and easy to follow, and the tutors were always supportive. This qualification not only prepared me well for university but also motivated me to aim higher in my future studies and career."

UNGWERU MUNYENYEMBE

Ungweru completed NCC Education's Level 3 Diploma in Computing and is now studying the NCC Education Level 4 Diploma in Computing.

I absolutely loved the Mathematics Skills for Computing module in the L3DC. It was my highlight of the programme and on that basis, I has moved onto the L4DC as a steppingstone to gaining entry at MUBAS, a well-known polytechnic collage in Malawi.

I aim to become a software engineer and inspire other young women to become software engineers.

EUGENE MCHISWE

Eugene completed NCC Education's Level 4 and 5 Diplomas in Computing. He progressed to study BSc (Hons) Computing (Information Systems) at the University of Greenwich.

I would definitely recommend this qualification to other students who are passionate about computing and technology.

The course provides a strong foundation in key areas such as networking, programming, systems analysis, and database management, which are essential in today's IT industry.

It also combines both theoretical and practical learning, allowing students to gain hands-on experience and develop problem-solving skills.

SUDIP PATHAK

Sudip completed NCC Education's Level 4 and 5 Diplomas in Computing. He progressed to study BSc (Hons) Computing with University of Greenwich, UK.

My NCC Education qualification provided me with the necessary academic background and technical skills to smoothly transition into a degree programme and succeed in university-level studies.

The course structure was clear, and the modules were very relevant to current technology trends. I also appreciated the practical assignments, which made learning more engaging and real-world focused.

5 REASONS TO STUDY CYBER SECURITY

1

0% Unemployment
not a bad statistic for the IT industry!

2

Critical to all Businesses
even small businesses now need a cyber plan in place

3

Unlimited Growth Potential
for career and learning opportunities

4

3.5 Million Vacant Jobs Worldwide
that's nearly the population of Uruguay!

5

Higher Salaries Paid
because there is a shortage of trained professionals

Level 5 Diploma in Computing (with Data Science)

**Level 5
(L5DC DS)**
Regulated Qualifications
Framework (RQF)

Equivalent to
the 2nd year of a
bachelor's degree in
the UK

The NCC Education Level 5 Diploma in Computing (with Data Science) (L5DC DS) makes up the second year of the NCC Education degree journey, building on the knowledge gained in the Level 4 Diploma in Computing (L4DC).

Students will study a balance of academic and vocational subjects in order to provide the necessary knowledge and skills to manage big data and extract valuable insights.

If you enjoy statistics or working with data and information, the Level 5 Data Science Specialism could be an excellent career path for you!

HAWA ISMAEL DIARRA

Hawa completed NCC Education's Level 4 and 5 Diplomas in Computing (with Business Management). She progressed to study BSc (Hons) Business Computing and Information Systems with the University of Lancashire and has now started an MSc in International Business and Management.

The course content is up-to-date, relevant to global business and IT environments and designed to prepare students for both professional and academic success.

Through NCC Education, students can earn an internationally recognised degree from a reputable UK university, even while studying in their home country. It is a great opportunity for anyone who wants to pursue higher education abroad with confidence.

ZENAB PATEL

Zenab completed NCC Education's Level 4 and 5 Diplomas in Computing (with Business Management). She progressed to study BSc (Hons) Computing at the University of Greenwich, UK.

I would definitely recommend NCC qualifications! Combining knowledge about databases, human and computer interactions as well as being required to come up with projects to solve a real world problem equips students a broad understanding as to what digital solutions are actually capable of and what impact they can have on societies.

*Level 7 Diploma in Business Management

ALENA CHIWAYA

Alena completed NCC Education's Level 7 Diploma in Business Management. She progressed to study the online MBA - Advanced Entry (Top-Up) from Cardiff Metropolitan University, UK.

This qualification didn't just teach me business management but it fundamentally improved how I think strategically and solve complex problems. It was a genuinely transformative learning experience. Despite it being distance learning, I never felt unsupported.

I would highly recommend this qualification to any busy professional seeking to advance their skills. It is perfectly designed for anyone who needs to balance studying with their professional and personal life.

Cardiff Metropolitan University

Cardiff Metropolitan University

MBA Advanced Entry Programme (MBA Top-Up)

NCC Education is proud to partner with Cardiff Metropolitan University to offer degree graduates and working professionals a flexible and affordable route to an MBA.

For more information on the NCC Education L7DBM and Cardiff Metropolitan MBA Top-Up please visit our website:

www.nccedu.com/qualifications/post-graduate-level/ncc-education-level-7-diploma-in-business-management-l7dbm

www.nccedu.com/qualifications/post-graduate-level/cardiff-metropolitan-university

HOW DOES IT WORK?

Students complete NCC Education's 120-credit Level 7 Diploma in Business Management (L7DBM) with their local Accredited Partner Centre (a range of face-to-face, blended and online delivery options are available).

This can be topped up to a full Master's in Business Administration by completing an online 60-credit MBA top-up with Cardiff Metropolitan.

Cardiff Metropolitan University's MBA Advanced Entry Programme consists of a Research Methods module (20 credits) and a Dissertation (40 credits) on a topic of your choice.

On successful completion of the course, students receive a Cardiff Metropolitan University certificate in 'Master of Business Administration' as well as a transcript and HEAR (Higher Education Achievement Report).

Graduates are also invited to attend the graduation ceremony based in Cardiff.
