

# AMERICAN CURRICULUM

## K - 12

Unlock your child's global future with a U.S.-style education

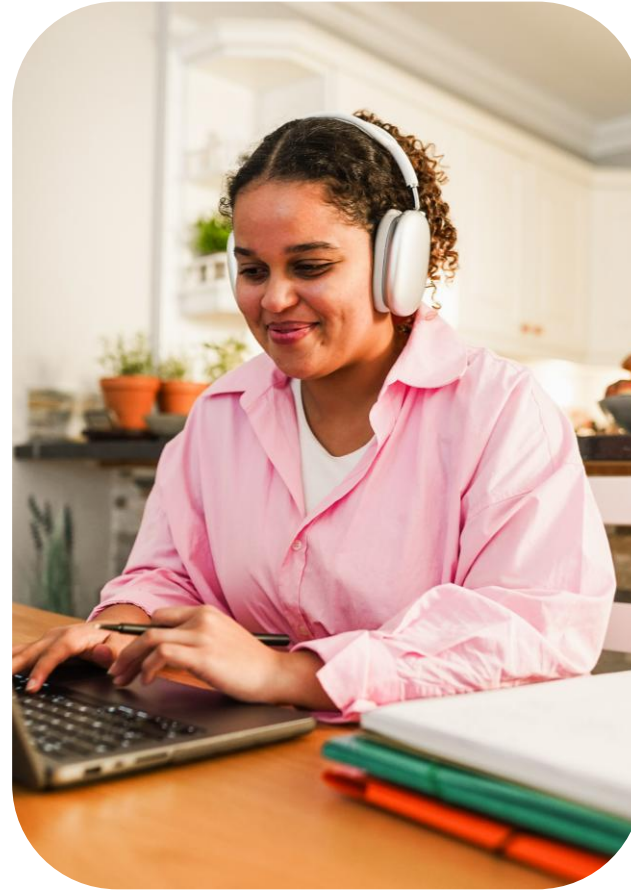

Introduction

# WHAT IS AMERICAN CURRICULUM?

- Our American Curriculum spans **Grades K-12** — from Kindergarten through high school.
- It is delivered in partnership with Pacific International Academy (California), enabling students to graduate with a **U.S. High School Diploma**.
- The program is ideal for families seeking a U.S.-style diploma, American-style college/university preparation, or a flexible, globally recognised education pathway.

# WHY CHOOSE OUR AMERICAN CURRICULUM?

-  **Standards-based learning** aligned to U.S. academic frameworks (Common Core & NGSS) — ensuring quality and international comparability.
-  **Holistic, well-rounded education:** emphasis not only on core academics, but also on creativity, critical thinking, problem-solving and broad subject coverage.
-  **Flexible and modern delivery:** live weekly lessons + self-paced multimedia (videos, quizzes, reading modules, printable work) to accommodate diverse learning rhythms.
-  **Personalized progress tracking:** monthly reports for parents with academic progress, teacher feedback, attendance and participation metrics, and a growing digital portfolio.
-  **College & career readiness:** in high school years integrated preparation for U.S. standardized tests (SAT, ACT, GED), writing workshops, lab-simulations, and elective clubs.

# GRADE LEVELS

## Kindergarten – Grade 5

Literacy, numeracy, basic science; interactive learning through games, storytelling, worksheets. Live sessions ~4/week.

## Grades 6–8 (Middle School)

Pre-Algebra, life science, world geography; guided research, projects and presentations. Live sessions ~6/week.

# GRADE LEVELS

## Grades 9 – 12 (High School)

College-prep academics: advanced subjects, writing workshops, lab simulations, SAT/ACT/GED prep, plus elective clubs. Live sessions + electives.

## Foreign Languages (Optional)

- Romanian Literature
- Spanish
- German
- French

# HOW WE TEACH- LEARNING EXPERIENCE

- **Live Small-Group Lessons:** interactive online classes with qualified teachers, dynamic format with whiteboards, polls, Q&A, games.
- **Self-Paced Multimedia Modules in etap.org LMS:** complement live lessons, students study via videos, reading modules, quizzes, printable assignments.
- **Regular Feedback & Support:** real-time teacher feedback, monthly performance reports, digital portfolio for each student.
- **Flexible & Accessible Enrollment:** straightforward enrollment process with full documentation and onboarding support.
